Supply conditions

2.2 Delivery Terms

Delivery Time

The system proposed by GH Induction is scheduled to be delivered as follow:

- **12 working weeks** in total, after receipt of formal purchase order, down payment and clarification of all technical details.
- **Counting since parts reception in Valencia**

Delivery Conditions

Our equipment is delivered according to the following 2020 Incoterms:

- FOB GH ELECTROTERMIA, S.A.U., San Antonio de Benagéber, València (SPAIN).

Packing Conditions

Wrapped and protected for ground transportation.

2.3 Payment Terms

30%	With P.O. – T.T. 7 days net.
60%	<i>L/C 30 days from shipment</i> <i>Partial shipment allowed</i>
10%	<i>T.T. 7 days net after starting up</i>

Delayed Payment

GH Induction reserves its right to apply a financial interest charge on any delayed payment beyond agreed and stipulated date. This charge of interest has a value of 6% (value 2015) and is calculated on the entire due amount. Calculation of such financial interest shall be made by sections of 14 days minimum.

Non-payment or delayed payment of our invoices - for any reason whatsoever - gives us the indisputable right to demand advance payment for the remaining supply, without prejudice of any other action, or to consider the contract suspended or annulled, and to annul the practice of any other contracts that may be in force, without giving the buyer the right to any type of refund or compensation for damages, or other.

Pricing revision

During the validity of our offer or after an order our pricing can be reviewed if one of the following terms occurs:

- Customer Parts designs change.
- Change in standards definition after end of design period.
- Change in machine's scope.

2.4 Offer Validity

This is a firm offer with prices valid for a period of 60 days

2.5 Warranty

- GH guarantees its products, while and to the exceptions listed below, against any manufacturing defect or defects in the materials used. This warranty GH requires repair or replacement, in their view, of any part recognized as defective, without compensation by any of the parties.
The items damaged during the warranty period should be referred to GH freight prepaid for examination and repair or replace GH prepaid by ordinary transport. Destination custom tariffs will never be paid by GH.
- Excluded from this warranty:
 - Damaged parts for wear and tear, negligent handling, inadequate oversight and excessive overloads.
 - Modifications, repairs or assembly and commissioning of new developments not made or authorized by GH.
 - The parts imposed by the buyer.
 - The elements to be explicitly specified such as inductors, tools, etc. (any wear elements).
 - The labour assembly and disassembly of defective parts.
- The total duration of the warranty is 12 months from the acceptance of the machine or up to 15 months from delivery (unless a different period is specified in the purchase agreement).
- The guarantee does not imply that all replacement parts are available at the nearest centre GH. For this reason, we invite the client to purchase the recommended spares.
- GH will not be liable for damages due to delay in providing services in the work resulting from causes beyond the reasonable control of GH. These causes include, without limitation, compliance with any regulations, governmental orders or instructions, natural disasters, acts or omissions of Customer, acts of civil or military authorities, fires, strikes, war, riot or delay in transportation. GH in no event be liable for special or consequential damages caused by delay due to any reason.
- The guarantee is applied at the place where the sale is made or at the end point indicated in the contract.

2.6 Equipment Property

The equipment remains the property of GH Induction until payment is duly performed. However, once the equipment is transferred to customer's plant responsibility is transferred to user and the user's insurance will cover the entire value of the said machine.

Any controversy, claim or dispute arising between the parties about the interpretation and fulfilment of this sales contract will be referred to the exclusive jurisdiction of the Courts of Valencia, Spain. This sales contract is likewise exclusively governed by Spanish Law.

2.7 Design Property and Process Know-How

Machine(s) design(s) remain the property of GH Induction Group. No detail drawings will be provided unless specific agreement which does not allow, anyway the use of the machine design for machine manufacturing. Such behaviour would be considered as an infringement of copyright.

The following design won't be provided:

- Detailed mechanical drawings
- Inductor drawings
- Electronic control boards
- Dies or tooling designs

Assembly drawings will be provided for proper management of the maintenance operation

In addition to those designs, the customer understands the importance of the know-how and commercial information we are sharing while providing commercial or technical offers. The client decisively undertakes not to disclose any technical or commercial information or any other data which he might learn about during the contractual relationship. In the event of any breach of the above on the part of the client, the seller reserves the right to claim compensation for damages.

2.8 Order Cancellation

In case where the order would have to be cancelled before machine's production termination, GH Induction would be entitled to a fair compensation. This compensation would be following some general guidelines:

- At design level: 15% of the entire project value.
- After design and prior final machine assembly:

- Value of finished goods increased by 1.40 applied on book value for handling cost and financial compensation.
- During machine assembly and before machine shipment:
 - 100% of contract value.

Once this payment is made, the components or finished goods will be fully transferred to the customer.

2.9 Use of Customer's References

GH Induction will be, unless clearly mentioned in the contract, entitled to use customer's name as reference within its reference list for its promotion. Of course, no data or information about handled process will be provided to any third party.

2.10 Personal Data Protection

Your details will become part of a database owned by GH ELECTROTERMIA, S.A.U. and processed for the purposes of CUSTOMER MANAGEMENT, MAINTENANCE, PAYMENTS, DISPATCH OF COMMERCIAL COMMUNICATIONS AND NEWSLETTERS.

You also expressly agree that GH ELECTROTERMIA, S.A.U. may use your personal details to send, by any means, including electronic means, commercial information and advertising on its products and services.

Customer details will be processed at all times pursuant to Regulation (EU) 2016/679, on Personal Data Protection.

You may exercise your rights to access, rectification, opposition, deletion and limitation of treatment by writing to the database manager at the following address: C/. Vereda Real s/n, 46184 San Antonio de Benagéber (València - SPAIN).
